

To,

Dear Customers,

This is regarding vehicle tracking system (VTS) which will be introduced shortly.

Vehicle Tracking System (VTS) shall be introduced in Bhilai Steel Plant soon. For this activity, it is being informed that GPS equipment shall be installed on all 3rd Party vehicles used for despatch of Material through Online Forward Auction / Fixed Price Sales/ CMO Sales by road.

You are also requested to advise your transporter(s)/ lifter(s) to safeguard the GPS equipment and its accessories so that intended purpose of vehicle tracking can be done. In case of the loss of equipment / damage/ theft of devices placed in the customer's vehicle, reimbursement of cost of equipment and associated services amounting to Rs 10,000 per device will be recovered from the customer as per clause no 24 of SAIL GTC-SA-2017: General Terms & Conditions for Sale & Auction . Your authorised transporter(s)/ lifter(s) may be apprised accordingly.

The date of implementation of the Vehicle Tracking System shall be intimated later on.
